Why Set Up In Dubai Silicon Oasis?

A connected ecosystem designed to help your business start, operate and grow.

A Connected Business Ecosystem
Join a community of global companies, industry leaders and potential partners.

Flexible Business Spaces
Choose from flexi-desks, dedicated offices, boutique buildings, warehouses, industrial units and land for development.

Technology & Innovation
Access opportunities across AI, robotics, cybersecurity, Web3, 3D printing and emerging technologies.

Built for Business Growth
Benefit from market exploration, technology testing and piloting, accelerators, financing and a dynamic events and community calendar.

Your Business Setup Process

01 Choose Your Legal Entity
Select the structure that fits your business (FZCO, PLC, Branch or BOP).

02 Select Your License
Industrial, Trade or Service.

03 Choose Your Business Activity
Identify the appropriate activity and meet the relevant requirements.

04 Select Your Business Space
Find a workspace that suits your operational needs.

05 Submit Your Application
Register through the DSO portal, provide the required documents and complete the process.
